La Di Da
Yeah

You fled from medication cause it only causes pain
You won't go to the doctor he's calling you insane
You're lost even when you're when you're going the
right way
You mean the world to me even though you might be
crazy

And you said we wouldn't make it
But look how far we've come
For so long my heart was breaking
But now we're standing strong
The things you say make me fall harder each day
You're a trainwreck
But I wouldn't love you if you changed! Ohh yeah!

I shook your hand and you pulled it right away
You asked me to dance and instead I said, "No way!"
Inside I was dying to give it a try and you begged me
so I stayed
I knew you were different from the way I caved

And you said we wouldn't make it
But look how far we've come
For so long my heart was breaking
But now we're standing strong

The things you say you make me fall harder each day
You're a trainwreck
But I wouldn't love you if you changed Ohh! Yeah!

We were so different
But opposites attract
So my hope kept growing
And I never looked back
You're one of a kind!
And no one can change this heart of mine
Oh!

And you said we wouldn't make it

But look how far we've come
For so long my heart was breaking
And now we're standing strong
The things you say you make me fall harder each day
You're a trainwreck
But I wouldn't love you if you changed!
Ohh! Ooohhh! Yeah!

One more thing I thought I'd share with someone
special
I'm falling like I never fell before
It's funny you said we'd never make it and look how far
we've come
You're a trainwreck

But with you, I'm in love
