You got nothin' on me!  
You got nothin' on me!  
You got nothin' on me!  
You got nothin' on me!

Summer came, it took me by surprise  
California sunshine in my eyes  
Driving with the top down  
We sing along  
To our favorite songs  
Nothing could go wrong

Laughing as we gazed under the moon  
You kissed me and it never felt too soon  
Hard to believe that anything,  
Could tear us apart  
Then you break my heart

[Chorus:]  
Now I know who you are  
You got nothin' on me  
I see, I should've known it from the start  
You can't tell me lies, don't even try  
Cause this is goodbye  
Goodbye

Caught you from the corner of my eye  
You smiled at a girl while passing by  
Thought you had me fooled, but you were wrong  
I know what's going on, it didn't take me long

Wasn't hard to read between the lines  
The necklace in your car, that wasn't mine  
Nothing left for you to do or say  
So I'm on way, now it's too late

[Chorus:]  
Now I know who you are  
You got nothin' on me  
I see, I should've known it from the start  
You can't tell me lies, don't even try  
Cause this is good

Bye to broken promises,  
Time to face your jealous-ness  
Don't bore me apologies  
Or coming back crawling on your knees

You got nothin' on me! (You got nothin' on me! )  
You got nothin' on me!

I know who you are  
Yeah I see, I should've known it from the start

You can't tell me lies, don't even try  
Cause this is goodbye... !

Now I know who you are  
You got nothin' on me  
I see, I should have known it from the start  
You can't tell me lies, don't even try  
Cause this is goodbye

Goodbye
