U Got Nothin On Me
U Got Nothin On Me
U Got Nothin On Me
U Got Nothin On Me

Summer came and took me by surprise
The California sunshine in my eyes
Driving with the top down
we sing along
to our favorite songs
nothing could go wrong

laughing as we gazed under the moon
you kissed me and it never felt too soon
Hard to believe that anything
could tear us apart
let you break my heart

Now I know who you are
YOU GOT NOTHIN ON ME
i see I should have known it from the start
YOU GOT NOTHIN ON ME
You cant tell me lies dont even try
cuz this is goodbye
Goodbye

Caught you from the corner of my eye
You smiled at a girl while passing by
Thought you had me fooled but you were wrong
I know whats going on
it didnt take me long

It wasn't hard to read between the lines
The necklace in your car that wasn't mine
Nothing left for you to do or say
So im on my way
Now it's too late

Now i know who you are
YOU GOT NOTHIN ON ME
I see i should have known it from the start

YOU GOT NOTHIN ON ME
you cant tell me lies, dont even try
cuz this is..

goodbye to broken promices
Time to face you're getting it
Don't bore me with apologies
And come crawling back on your knees

you got nothin on me
YOU GOT NOTHIN ON ME
you got nothin on me

I know who you are
Yeah i see i should have known it from the start

you cant tell me lies, dont even try
cuz this is goodbye

Now I know who you are
YOU GOT NOTHIN ON ME
now i see, i should have known it from the start
YOU GOT NOTHIN ON ME
you cant tell me lies, dont even try
cuz this is goodbye

Goodbye
