Cause we rock
We rock
We rock on
We rock
We rock on

Come as you are
You're a super star
World in your pocket
And you know it

We can feel that
Beat running
Through your feet
Hearts racing fast
Your rockin' rolling

All that you need is
The music to take
You to some other place
Where you know you belong

Raise you hands up
In the air and scream
Were finding out
Voice following our dreams
We rock
We rock
We rock on
Nobody in the world's gonna
Bring us down
The louder we go
Well the better we sound
We rock
We rock
We rock on

We're finally letting go
Losing all control
Won't stop ourselves
Cause we love it

We're not afraid to be
Everything you see
No more hiding
Now we're gonna own it

All that you need is the music to take you
To some other place where you know you belong

Raise your hands up in the air and scream
We're finding our voice
Following our dreams
Cause we rock!
We rock!
We rock!
We rock on!
Nobody in the world's gonna
Bring us down
The louder we go
Will the better we sound
Cause we rock!
We rock!
We rock!
We rock on!

We got the music in our soul
And it's the thing we want the most
It's a sound of no other
Down it turns around the world

We rock
Camp rock
We rock
We rock on
Cause every day
Cause every night
We rock
We rock
We rock
Don't we wanna do it loud?

Raise your hands up
In the air and scream
We're finding out
Voice following our dreams
Cause we rock
We rock
We rock
We rock on
Nobody in the world's gonna
Bring us down
The louder we go

Well the better we sound
We rock
We rock
We rock on

Raise you hands up
In the air and scream
Were finding out
Voice following our dreams
We rock
We rock
We rock on
Nobody in the world's gonna
Bring us down
The louder we go
Well the better we sound
Cause we rock
We rock
We rock
We rock on

We rock
Camp rock
