Everyday is like a blank canvas  
You know you can paint it any way you want it  
You can draw a black cloud  
You can make the sun shine  
Color in a rainbow  
or use black and white

Open up your eyes and.... your imagination

Come on let's write a song  
A little poetry  
Take a photograph  
Let's make some memories  
You can make it anything  
That you want it to be  
If you follow your heart  
Life is a work of art

Ohhhh every night is like looking at a dark screen  
You're never too young or too old to dream  
You can make a fantasy into a reality  
'Cause you're creating your own masterpiece

Close your eyes and dream it...  
Seeing is believing

Come on let's write a song  
A little poetry  
Take a photograph  
Let's make some memories  
You can make it anything  
That you want it to be  
If you follow your heart  
Life is a work of art

Come on let's write a song  
A little poetry  
Take a photograph

Let's make some memories  
You can make it anything  
That you want it to be

If you follow your heart  
Life is a work of art

Turn a simple thought into a philosophy  
Turn a star into a galaxy  
Make a little noise into a symphony  
You're creating a masterpiece

Come on let's write a song  
A little poetry  
Take a photograph  
Let's make some memories  
You can make it anything  
That you want it to be  
If you follow your heart  
Life is a work of art

Come on let's write a song  
A little poetry  
Take a photograph  
Let's make some memories  
You can make it anything  
That you want it to be  
If you follow your heart  
Life is a work of art

Come on let's write a song  
A little poetry  
Take a photograph  
Let's make some memories  
You can make it anything  
That you want it to be  
If you follow your heart  
Life is a work of art  
Life is a work of art  
Life is a work of art
