You've got a face for a smile, you know  
A shame you waste it  
When you're breaking me slowly but I've

Got a world of chances, for you  
I've got a world of chances, for you  
I've got a world of chances  
Chances that you're burning through.

I've got a paper and pen  
I go to write a goodbye  
And that's when I know I've

Got a world of chances, for you  
I've got a world of chances, for you  
I've got a world of chances  
Chances that you're burning through

Ohhhhhh I'm going my own way  
My faith has lost it's strength again  
And Ohhhhhh It's been too hard to say  
We're falling off the edge again

We're at the end  
We're at the end

Maybe you'll call me someday  
Hear the operator say the numbers no good  
And that she had

A world of chances, for you  
She had a world of chances, for you  
She had a world of chances  
Chances you were burning through  
Chances you were burning through  
Chances you were burning through Ohhh

You've got a face for a smile, you know
