Summer came and took me by surprise  
California sunshine in my eyes  
Driving with the top down  
we sing along  
to our favorite song  
nothing could go wrong

Laughing as we gazed under the moon  
you kissed me and it never felt too soon  
Hard to believe that anything  
could tear us apart  
Then you break my heart

Now I know who you are  
YOU GOT NOTHIN ON ME  
i see I should have known it from the start  
YOU GOT NOTHIN ON ME  
Cant tell me lies dont even try  
cuz this is goodbye  
goodbye

Caught you from the corner of my eye  
You smiled at a girl while passing by  
Thought you had me fooled but you were wrong  
I know whats going on  
It didnt take me long

It wasn't hard to read between the lines  
The necklace in your car that wasn't mine  
Nothing i would give, do, or say  
so i'm on my way  
Now it's too late

Now i know who you are  
YOU GOT NOTHIN ON ME  
I see i should have known it from the start  
YOU GOT NOTHIN ON ME  
you cant tell me lies, dont even try  
cuz this is goodbye

to broken promises  
this time i think your getting this

Don't bore me with apologies  
or getting down on your knees???

you got nothin on me  
YOU GOT NOTHIN ON ME  
you got nothin on me

I know who you are  
Now i see i should have known it from the start

you cant tell me lies, dont even try  
cuz this is goodbye

I know who you are  
YOU GOT NOTHIN ON ME  
i see, i should have known it from the start  
YOU GOT NOTHIN ON ME  
you cant tell me lies, dont even try  
cuz this is goodbye
