(Demi/Mitchie) (echoes: Joe/Shane)

Demi/ Mitchie: It's like he doesn't hear a word I say.

His mind is somewhere far away.

And I don't know how to get there.

And it's like... All he wants is to chill out

(Joe/Shane: She's way too serious. She's always in a rush)

Demi/Mitchie: He makes me wanna pull all my hair out

(Joe/Shane: And interrupting)

Demi/Mitchie: Like he doesn't even care

(Joe/Shane: Like she doesn't even care)

Demi/Mitchie: You

Joe/Shane: me

Demi/Mitchie: We're face to face

Both: But we don't see eye to eye

Demi/Mitchie: Like fire and rain

(Joe/Shane: Like fire and rain)

Demi/Mitchie: You can drive me insane

(Joe/Shane: You can drive me insane)

Both: But I can't stay mad at you for anything

Demi/Mitchie: We're Venus and Mars

(Joe/Shane: We're Venus and Mars)

Demi/Mitchie: We're like different stars

(Joe/Shane: Like different stars)

Both: But you're the harmony to every song I sing. And I wouldn't change a thing

Joe/Shane: She's always trying to save the day.

Just wanna let my music play

She's all or nothing

But my feelings never change

(Demi/Mitchie: Why do you try to read my mind?)

Joe/Shane: I try to read her mind

(Demi/Mitchie: It's not good to psychoanalyze)

Joe/Shane: She tries to pick a fight

To get attention

That's what all of my friends say

(Demi/Mitchie: That's what all of my friends say)
