They say the beat of a butterfly's wings
Can set off a storm in the world away
What if they're right and the smallest of things
Can power the strongest hurricane
What if it all begins inside
We hold the key that turns the tide.

Just a pebble in the water ooh
Can set the sea in motion ooh
A simple act of kindness ohh
Can stir the widest ocean
If we show a little love (oh a little love)
Heaven knows what we could change
Oh yeah
So throw a pebble in the water
Oh yeah
Make a wave
Make a wave
Make a wave
Make a wave

The single joy to take a stand
Touch your hand to someone in need
Help somebody
Don't fool yourself and say you can't
You never know what can grow
From just one seed
Yeah
So come with me and seize the day
This world may never be the same

Just a pebble in the water (just a pebble in the water)
Can set the sea in motion (set the sea in motion)
A simple act of kindness ohh woah
Can stir the widest ocean (can stir the widest
ocean)(ocean)
If we show a little love (if we show a little love)
Heaven knows what we could change (Heaven knows
what we could change)
Throw a pebble in the water (Throw a pebble in the
water)
Make a wave

Make a wave
Make a wave
Yeah yeah yeah yeah yeah
Make a wave
Make a wave
Make a wave

Show a little love
Gonna make a wave
Seize the day (make a wave yeah)
Heaven knows what we could change oohh

So let's show a little love
You never know what we could change
So just throw a pebble in the water
Hmm
Make a wave
Make a wave
Ohh woah
Ohhh
