

## Demigod "Drifting"

Visit "[Drifting](#)" on MotoLyrics.com

The fear of looking inside  
The pain of my life  
The memories are so real  
The scars grow so deep

The pain of my life  
The shame that I feel  
Crying, all colours fade to grey  
Drowning in tears I fade away  
Away from the light

The pain of my life  
The shame that I feel  
Crying, all colours fade to grey  
Drowning in tears I fade away

The essence of innerself  
Horrors burn my eyes

So real... the pain inside  
Falling... I'm drifting away

Falling... Drifting away  
Away from the sun  
Falling... Drifting away  
Away from my heart
