(lyrics by Laitinen/Kiiski)

Follow my way of thinking  
True human way of life  
Lay yourself on my seed  
Depart from your kind

I am your father  
I am your son  
The start and the end  
In time you'll see

Heal yourself from yourself  
Act without emotion  
I am the upward direction  
Your insuperable fate

You thought life is a gift  
Let truth speak for itself

The course for you is settled  
You are now on my leash

Dreaming of this dominance  
Ruined by your impotence  
See the reverse side of life  
Come and hide your excuses

You thought life is a gift  
Let truth speak for itself  
The course for you is settled  
You are now on my leash

I am your father  
I am your son  
The start and the end  
In time you'll see
