[Intro] What's up baby? (Uh huh) Think you got me
locked don't you? (Stupid) Let me tell you something
[Chorus] I've got you under my skin I've got you deep
in the heart of me So deep in my heart you're really a
part of me I've got you under my skin [Verse One]
[Apathy] Let me tell you somethin', listen I'm an
Einstein with dimes Give her fine wine Wine and dine,
in due time, that ass is mine I've got chicks who send
me pics of their tits over the Internet Cause I stimulate
they mental and respect their intellect I tell 'em +Let's
Get Dirty+ You think I was Redman It's +Time 4 Sum
Aksion+ when girls cop the web cam Wanna pose for
my cover? Send a picture with your top off Thick chicks
I'm a slick pervert who get's his rocks off by talkin'
about your fantasies Playin' Spanish honeys Marc
Anthony And fuck 'em underneath a bed canopy (With
stamina) Doggy style, hammer a fly broad (I'm
slammin' her) In front of the camera tripod I got these
whores on all fours like Centaurs Hit "Ignore" when she
calls, get the fuck off my balls And the things that we
talked about before you gave me head I was just
kiddin' about everything I said [Chorus] I've got you
under my skin I've got you deep in the heart of me So
deep in my heart you're really a part of me I've got you
under my skin [Verse Two] [Celph Titled] Yo ain't it
funny how these chicks think they got us pussy
whipped? But what 'em get dehydrated when you take
away the dick from their mouth Crevices and various
orifices Chokin' on my nuts, still tryin' to sing my
chorus's I never gave a fuck about a bitch But now I'm
on some other shit (Treat 'em like a dog) And they just
lovin' it I admit it I had a couple of wifey's Or at least
that's what they thought till the panties came off Tellin'
hoes I'm still a virgin at 24 So I can get 'em raw
Whether on tour or my garage floor Girls, I got 'em
locked Like Super Lover C and Casanova Ron takin'
bubble baths to soak in suds (But still keep it filthy)
Without a question (Yo, Celph you fucked up) You think
I give off that impression? Leavin' jealous kids in
disbelief I be gettin' more skins than an Indian Chief
[Chorus] I've got you under my skin I've got you deep

in the heart of me So deep in my heart you're really a
part of me I've got you under my skin [Bridge] [Apathy]
I love whores, whores, whores, whores I do adore
Leave the drama at the door and your panties on the
floor If I hit you and I'm out on tour [Verse Three]
[Apathy] Yep, Ap is the man I'm graded on the ass of
these dames With a clothes hanger bent into the shape
of my name Handle above a hot flame but she never
feels the pain Or complains cause I got her gassed for
my status and fame [Celph Titled] I don't have to
explain We got cars with extra drivers and switches
Don't give a fuck we stickin' bottles in bitches Caviar on
paper plates with fine linen cloth Rotisserie flippin',
women often in my rented loft [Apathy] I'm hittin' off
This little bird till she's gettin' off And when we fuck she
clucks and comes chicken croft For every session we
sexin' I'm caressin' on her flesh and Leavin' cum
puddles in her mid section [Celph Titled] Listen, I got a
real bad obsession Girls who want long term affection
get a long sperm injection Stick my dick so far up in the
pussy I numb it Looks like the movie Alien when that
little monster busts out the stomach [Chorus] I've got
you under my skin I've got you deep in the heart of me
So deep in my heart you're really a part of me I've got
you under my skin
