

## Demilich "And You'll Remain"

In the backyard  
you see a white stain  
Nevertheless, looking unreal  
like a tiny passage to emptiness

Thinking of touching the thing  
you kneel over it  
Interest exceeding carefulness  
you'll be soon in pieces in nothingness...

The parts of the fingers you put in the hole  
are now taken to another dimension  
It's enlarging itself with the power you gave  
Now a metre wide, you'll be dead in a while

Ruthless...

Now you have no feet  
The thing has become ten metres wide  
You can hear its masticating  
and the silent, ironic laughter

Another victim suffering  
You pray to god  
Your screaming won't stop until your mouth has been  
teleported thoroughly
