Rot like the casket in your chest  
The sludge folld rapes your face  
Blood suck it swims through the open wound  
Parasite of God  
Time is your poison and your prison  
(It's a) caustic thorn in side  
Clots disgust flies through your teeth  
Nature's own surgery  
Discord embraces the beating engine  
Explosive breakdown  
Spinal derail  
A fuckin hostage to the nerves  
Have you been cheated by God?  
Riot - running rancid though the breain  
Sentenced to 3 years of age  
Decaying warzone - a ladfill of vile reproduction  
The body will reject it's own weapons  
We're obscene  
The walking crass
