Passion
The longing of a burning man
Domination cannot be contained
Bleeding from the horns of teh bull
Callous as his history
Anchorless
Served from surrender
Revolting martyr
The contender to the tentacles of filth
Oblivious to mercy chasing down behemoth
Matador
Ride the knife through the flesh
Matador
Lungs of the war
Badge the worm
Bomb the Gods
Sleep with lions
Matador
Lungs of the war
Maifest effects of the dawn
Destiny delivered through the chest
Lionheart obsession like a mouthful of fire
A well fed mass abortion
Those who die will be the lucky ones
Aftermath eternally perverted
Forever prosthetic
Ill stabled for life
Foreced into extinction
