"Perfection And The Infection"

Storming the bodily warzone
The masterpiece is toxic
Scarlet lined veins constricting
Blood piss of fire
Caustic fixations orchestration of decay
Feeding disposing erosion of the engine
Vile discharge
Curse of perfection and (the) infection
Dusk drunk habits fuse to early closure
Breathing carcass scars us marks us
Perfecting misleading infecting
Strapping and dominating the machine is Godly divine
Whores and racists depression and wars rapists and
suicide
Volcanic the pressure inside makind to purify
We took perfection and grew infection
We're so divine
Contagious obsessions
