"To Serve Is To Destroy"

Pissing blood
A fractured pledge
Enter vein - this warzone
Conviction folding and derail
Dying proof is revving up
Rifled fangs are sinking down
Snorting towards supremacy
Endure
To serve satisfaction (is to) destroy perseverance
Behind the wheel of compulsive bullets
Burn in the wake of the oblivion
Digging for the whiskey fix
Bitter and Acidic itch
Chemicals - the cells of misery
Dissecting dependency - wasted - the relentless seeds
Opening the ulceration
