Blessed with a broken home and affliction  
A bulls eye for prostration  
The upper hand is outta reach and he's starving  
This trip may never end  
Life like a human vulture born without his wings  
Your trash is his golden treasure  
Goddamn he's fuckin low but in my mind  
He's got the upper hand  
Vagrant all-star on a rampage  
Dig deep in the trash can goldmines  
Comfort found in an asphalt pillow.  
Vagrant all-star on a rampage  
Trooper fully loaded from the gutter  
Life like a human vulture born without his wings  
Your trash his golden treasure  
Goddamn he's fuckin low but in my mind  
He's got the upper hand  
Vagrant all-star on a rampage  
Born in burden no time for God one concern to stay  
alive  
Daily war to find the fix to find the camp to find the will  
to live in hell and suffer over everyday's necessities  
Armed with purest rational and kevlar skin and  
shattered ego
