Assassins unscavenge  
Aesthetic trauma.  
Bringer of the rising tide of low-carb soiled suicide.  
Naturally unnatural the satisfaction's on it's knees  
The arsenal of chemicals is riding shotgun underneath.  
The setting sun of ashy skin achieving catastrophic  
dreams  
Deploy the decline  
Feeding vice through abscess  
Death beyond dishonor  
Laying cells to rest  
Find out what it means to love to death  
Purgatoric beauty  
Putrefactous allies  
Wrinkles rise infesting bliss from toxic means ingest  
the curse  
A caustic vice that licks teh lips it fills the void a  
parasite  
That cauterized the dialogue it crippled lungs eclipsed  
a life  
The verdict is a blistered soul that never sleeps and  
breathes regret  
Eternal withdrawl
