Little girl with a broken heart  
She lost her toy, she cries so hard  
Shedding tears for me to see  
She comes running back to me

Did you follow back the way you left  
Will you swallow all that you said

What's done is done  
What's said is said  
I don't see another way another come-back  
What's done is done  
What's said is said  
I can't find a way to make myself forget it all

Little girl in the pink out there

Opens her eyes to a kink nightmare  
Her new prince dressed in white  
I guess was not all Mr. Right

Did you behave the way he wants  
Will you play the good girl once you were

What's done is done  
What's said is said  
I don't see another way another come-back  
What's done is done  
What's said is said  
I can't find a way to make myself forget it all
