

Demis Roussos "Aegian Sea"

I saw the souls
I saw the martyrs
I heard them crying
I heard them shouting
They were dressed in white
they've been told to wait

The sun was black
the moon was red
the stars were falling
the earth has trembling

And then a crowd impossible to number
Dressed in white
carrying palms
shouted amid
the hotless sun
the lightless moon
the windless earth
the colourless sky ...

They'll no more suffer from hunger
they'll no more suffer from thirst
They'll no more suffer from hunger
they'll no more suffer from thirst
They'll no more suffer from hunger
they'll no more suffer from thirst
