I am but your fool they say  
something like a child  
but today is my birthday  
and they will be nice  
I'm but your fool they say  
true that's what I think  
My mind is drifting away

I feel that I sink....

See Benji is a fool  
a child who's 30 years old  
with a gold trust in the pool  
They are telling there is gold  
See Benji...

Candy is a friend of mine  
She sees what I see  
She knows what's up in my mind  
She won't laugh at me  
Candy is a friend of mine  
She sees what I see  
Sometime we play seek and hide  
she makes me happy  
Candy, Candy  
Candy is a friend of mine  
"I like the chatting boys"  
Candy But today is my birthday  
and they might be nice  
She knows what's up in my mind  
she smells like a tree

See old Benji is a fool  
a child who's 30 years old  
a gold trust at the pool  
... there is gold...

See Benji,  
just look at him  
Candy, Candy

I'm but a fool they say

Something like a child  
But today is my birthday  
and they will be nice  
I'm but your fool they say  
true that's when I think  
My mind is drifting away

I feel that I, I'll sink ....
