Ooh Oh Ooh.. Ooh Oh Ooh..
Fallin (in) love each day.

The day you came my way
I found no words to say
Just how I felt inside
My joy I couldn't hide

My eyes had never seen
My life had never been
I loved you there and then
Why could start again

Fallin... Fallin...
Fallin (in) love each day.

And our love is naturally growing
And I mean to let you plowing
And I'm feeling sunny and falling
In love or lover again

Does music when you're near
cause every word I hear
Is filled with ecstasy
And dreams you share with me

My eyes had never seen
My life had never been
I loved you there and then
Why could start again

Fallin... Fallin...
Fallin (in) love each day.

The day you came my way
I found no words to say
Just how I felt inside

My joy I couldn't hide

Fallin... Fallin...

Fallin (in) love each day
