I can not find the word that has meaning  
We are so very far from beginning  
Happiness is lost and so do you  
How I miss you  
I miss you

I can not find the reason for your leaving  
Loneliness my life I believe in  
Everything has gone so are you  
How I miss you  
I miss

All the things you ment to me  
Repressed on the moment that I kissed you  
And there are never ment to be  
Dreams we have together so I miss you  
I miss you  
I miss you

I can not find the word that has meaning  
Loneliness my life I believe in  
Everything has gone and so you  
How I miss you  
I miss you
