I realized  
The best part of love  
Is the thinnest lies  
And it don't count for much  
And I'm not let it go  
I believe ther's still much to believe in  
So lift your eyes  
If you feel you can  
Reach for a star  
And I'll give you a plan  
I figured it out  
What I needed was someone to show me  
You know you can't fool me  
I've been loving you so long  
It started so easy  
It wants to carry on  
Lost in love  
And I don't know much  
'cause I'm thinking aloud  
And it feel out of touch  
I'm back to my feet  
And it's igger to be what you want to  
I realized  
The best part of love  
Is the thinnest lies  
And it don't count for much  
And I'm not let it go  
I believe ther's still much to believe in  
So lift your eyes  
If you feel you can  
Reach for a star  
And I'll give you a plan  
I figured it out  
What I needed was someone to show me  
You know you can't fool me  
I've been loving you so long  
It started so easy  
It wants to carry on  
Lost in love  
And I don't know much  
'cause I'm thinking aloud  
And it feel out of touch

I'm back to my feet  
And it's igger to be what you want to
