LOVELY LADY OF ARCADIA

We met one magic summer day  
A dream came true and blew a way  
For as your love began to grow  
The time had come for me to go  
Now all that I am living for  
Is to come back to you once more  
Lovely lady of Arcadia  
Promise you will wait for me  
In your arms I found my Shangri-la  
And it's where I long to be  
Lost in love eternally  
I feel alone among the crowds  
And sunny skies are filled with clouds  
I miss your kiss and your embrace  
The empty smile that lights your face  
And just as long as we're a part  
The same old song will haunt my heart  
Lovely lady of Arcadia  
Promise you will wait for me  
In your arms I found my Shangri-la  
And it's where I long to be  
Lost in love eternally  
Lovely lady of Arcadia  
When these lonely days are thru  
I will stay and pray Arcadia  
Shall be paradise for two  
Paradise for me and you  
Shall be paradise for two  
Paradise for me and you
