As I walk along the river 'Seine' I think I see her on the  
lane, Marlene

As I reach her hands I won't feel anything but sand  
Marlene Je T'aime, Marlene

People of the night are now coming up into sight  
singing my pain, Marlene

Strangers in a car believe the love song is to last  
ignoring pain

Shadows of the past blowing candle lights witnessing  
at night Marlene

Shadows in my heart calling me apart whispering your  
name Marlene, OOHHHH

As we drove along the river 'Seine' we made a vow but  
vows are vain, Marlene

We promised that we would meet again but no one  
showed back on the lane, Marlene

Now love is a thing that I came by a ring behind your  
window pane, Marlene

Souvenirs will haunt me till I die off with no pain no  
one's to blame

Shadows of the past blowing candle lights witnessing  
at night Marlene

Shadows in my heart calling me apart whispering your  
name Marlene, Ohh
