"Miss You Nights"

Iâ€™ve had many times
I can tell you
Times when innocence Iâ€™d trade for company
And children saw me crying
I thought Iâ€™d had my share of that
But these miss you nights
Are the longest

Midnight diamonds
Stud my heaven
Southward burning
Lie the jewels that eye my place
And the warm winds
That embrace me
Jst as surely kissed your face
Yeah these miss you nights
Are the longest

How I miss you
Iâ€™m not likely to tell
Iâ€™m a man and cold day light
Buys the pride Iâ€™d rather sell
All my secrets
Are wasted affair
You know them well

Thinking of my going
How to cut the thread
And leave it all behind
Looking windward for my compass
I take each day as it arrives
But these miss you nights
Are the longest

Lay down all thought of your surrender
Itâ€™s only me whoâ€™s killing time
Lay down all dreams and themes once remembered
Itâ€™s just the same
This miss you game
Yeah these miss you nights
Are the longest
