See the children playing  
Hear the sounds of virgin minds  
Come hear what they're saying  
There's so much to find

Count how many pages  
Hoped and dreamed with clovers found  
Reaped in different phrases  
One wish going round

Friend come sit beside me  
Fear me not, for I am you  
Friend come walk beside me  
There's so much to do

Sing the song so clearly  
Make the words rise up above  
Mean each line sincerely  
Sing an ode to love

Make your heart a shelter  
For someone who's lost his way  
Make the sun shine brighter  
With each word you say

Sing the song so clearly  
Make the words rise up above  
Mean each line sincerely  
Sing an ode to love  
Sing an ode to love  
Love
