Smile though your heart is aching  
Smile even though it's breaking  
When there are clouds in the sky  
You'll get by  
If you smile through your fear and sorrows  
Smile and there'll be a tomorrow  
And you will see the sun come shining through  
For you  
Light up your face with gladness  
Hide every trace of sadness  
For, for a tear maybe ever so near  
That's the time you must even try  
Smile what's the use of crying  
You'll find that life is still worth while  
If you just smile

(Light up your face with gladness)  
(Hide every trace of sadness)  
(Although a tear may be ever so near)

That's the time you must even try  
Smile what's the use of crying  
You'll find that life is still worth while  
If you'll just smile
