How was I to know
That from our very first hello
I'd feel so dreamy (so dreamy)
You came rushing in
With all the promises of spring
When I was lonely (so lonely)
Everything she knew
Almost unreal because of you
I felt so dreamy (so dreamy)
Love had come to me
So very unexpectedly
I was so lonely (so lonely)

Dreaming of the time
I'll hear you say that you'll be mine
Until the end of time
All I ever knew could never be compared to you
And it's so far behind
Dreaming for a while
Each time you make me realize
That all I see is real
I could never find the words to say
The way I feel

Hello morning sun
Another day has just begun
And it's so dreamy (so dreamy)
Where can I begin to say the love I feel within
I feel so dreamy (so dreamy)

Dreaming of the time
I'll hear you say that you'll be mine
Until the end of time
All I ever knew could never be compared to you
And it's so far behind
Dreaming for a while
Each time you make me realize
That all I see is real
I could never find the words to say
The way I feel

How was I to know

That from our very first hello
I'd feel so dreamy (so dreamy)
You came rushing in
With all the promises of spring
When I was lonely (so lonely)
Everything she knew
Almost unreal because of you
I felt so dreamy (so dreamy)
Love had come to me
So very unexpectedly
I was so lonely (so lonely)

MY FRIEND THE WIND

My friend the wind will come from the hills
When dawn will rise he'll wake me again
My friend the wind will tell me a secret
He shares with me, he shares with me

(My friend the wind will come from the heart)
(With words of love she'll whisper for me)
(My friend the wind will say she loves me)
(And me alone, and me alone)

I'll hear her voice and the words
That he brings from Helenimou
Sweet as a kiss are the songs of Aghapimou
Soft as the dew is the touch of Manoulamou
Oh oh oh

We'll share a dream where I'm never away from
Helenimou
Blue are the days like the eyes of Aghapimou
Far from the world will I live with Manoulamou
Oh oh oh oh oh

My friend the wind go back to the hills
And tell my love a day will soon come
Oh friendly wind do tell her our secret
You know so well, oh you know so well

My friend the wind will come from the north
With words of love, she whispered for me
My friend the wind will say she loves me
And me alone, and me alone

I'll hear her voice and the words
That he brings from Helenimou
Sweet as a kiss are the songs of Aghapimou
Soft as the dew is the touch of Manoulamou
Oh oh oh

We'll share a dream where I'm never away from
Helenimou
Blue are the days like the eyes of Aghapimou
Far from the world will I live with Manoulamou
Oh oh oh

La la la Helenimou
La la la Aghapimou
La la la Manoulamou
Oh oh oh
La la la Helenimou
La la la Aghapimou
La la la Manoulamou
