Didn't throw away my life
Going to release my time

Saw it in the book of love
Only written for the free

Coming from a distant land
Wisdom is the helping hand

Chosen from the fruits of love
Only given to the free

Where the good old days are passing
Hand in hand we will be
And noone standing between us
have the right
You and me

You and me

Mmmmm mmm mmm mmm mmmmm mmm mmm
Mmmmm mmm mmm mmm mmmmm mmm mmm
Mmmmm mmm mmm mmm mmmmm mmm mmm
Send to me a love that's true
And a secret just for you
In your eyes a vision [fades/faint]
Only given to the free

Where the good old days are passing
Hand in hand we will be
And noone standing between us
we have the right
you and me

you and me

Didn't throw away my life

Going to release my time
Saw it in the book of love
Only written for the free

Coming from a distant land
Wisdom is the helping hand

Chosen from the fruits of love
Only given to the free
