Early morning lover....amber colored eyes  
hair as dark as midnight, she was my paradise.  
She took me through the hard times,  
never thought my heart would compromise.

But the other woman  
my heart can't deny,  
makes me feel like I'm touching the sky  
while the other woman  
I've loved faithfully  
keeps her love strong for me.

Emerald eyes that sparkle  
skin as soft as rain.  
Golden hair caress me  
over and over again.

But the other woman  
my heart can't deny,  
makes me feel like I'm touching the sky  
while the other woman  
I've loved faithfully  
keeps her love strong for me.

Oh amber eyes  
we made the climb  
I guess we just ran out of time.
