When I left the valley of sadness
When I left the valley of sadness
I saw the mountains
of the plains around
gathering to cry
When I left the valley of sadness
When I left the valley of sadness
I saw the mountains
of the plains around
gathering to cry
I saw [young, bright and wild kids]
picking up [some on the way]
I saw [two kids climbing up high]
make it in the sun of May
and I saw the river flowing
oooooh and [I heard the two kids climb]
oooooh They call it the valley of sadness

They call it the valley of sadness
They left the mountains and the plains around
this is why it cries
hey call it the valley of sadness
They call it the valley of sadness
They left the mountains and the plains around
this is why it cries

When did you see the head town ?
They have been told the life is easier
[...] [made for rose in the ground]
from the grounds and up the river
when I heard the river flowing
oooooh and I saw the fire was bleeding
oooooh

[interlude]

I saw the mountains
of the plains around
gathering to cry

They left the mountains and the plains around
this is why it cries
