When a man loves a woman
Can't keep his mind on nothin' else
He'd change the world
for the good thing he's found
If she's bad he can't see it,
she can do no wrong
Turn his back on his best friend
if he put her down When a man loves a woman
Give her everything that he has
Trying to hold on to her precious love
Baby, please don't leave me now When a man loves a
woman
[Down deep] in her soul
She can bring him such [love], [such] misery
[interlude]
When a man loves a woman
Give her everything that he has
Trying to hold on to [your] precious love
Baby, please don't leave me now When a man loves a
woman
[she can do no wrong [Tell her that he loves her]
.....
She can bring him such misery
[do do do do] [She can bring him such misery
She can bring him such love]
