(G. Johnson/Richard Walsh)

Can you see?
Can you see, can you see
Oh, can't you see?
You're not fooling me
But it's all right, baby
It's all over now

Thought I knew
Thought I knew, thought I knew
What did I know?
Guess I didn't know you
But it's all right baby
It's all over now

Did we love
Did we love, did we love?
Who did you love
When I was loving you?
But it's all right, baby
It's all over now

How I cried
How I cried, and I cried
All the time
The time spilled over you
But it's all right, baby
It's all over now

Can you see?
Can you see, can you see?
Oh, can you see
You're not fooling me
Well, it's all right baby
It's all over now

Well it's all right, baby
Look who's crying now
Look who's crying now
Do it now
Do it now

Well, it's all over now
