Well I heard the story, all about how you came
Down from glory and died for me
It's so confusin',
Why You chose the methods that you're usin'
I say can't you see I am an orphan, alone and wild
And You say come to me, just like a child
Chorus
Sometimes, it really does amaze me
Livin' off Your love
Livin' off Your love for me
Sometimes, it really does amaze me
Livin' off Your love
Livin' off Your love (for me)

Never had a father, could depend
Upon except to bother me for the things I do
I never had a mother, to hold me in her arms
Just like the other kids I knew
I am an orphan, alone and wild
You say come to me, just like a child

Chorus

You felt the pain of cold, steel spikes
You bore my shame in broad daylight
And by Your grace, adopted me
Into your family

Sometimes it really does amaze me...
Livin' off Your love for me.
Sometimes I just have to stop and think,
I am living off of my Father in heaven...

Chorus
