Through lies  
The revelation is coming  
Ancient orders crossing their ways  
Celebrating the truth which I create  
Delve in secrets of their sick thoughts.

Waiting for glory...  
I create the universe

They worship and are bowing to me  
I need human things  
And they will do it for me.  
Blinders and no ears  
Beings with no soul

Revelation like a divine touch  
Wonderful material for orders to make  
Unconscious of their deeds and convictions  
Escaping the fear  
They...

Waiting for glory  
I create the universe

They worship and are bowing to me  
I need human things  
And they will do it for me.  
Blinders and no ears

The Revelation is coming  
Night became day and continue into infinity.
