So now you left me too
Ain't it fun ain't nothin to do
Partners in crime
So damn dead and alive
You were so ready anytime
Last year couldn't make up your mind
Now you're gone and it's cold outside
DREAMS AND DESIRES
LIKE THE FIRE IN YOUR EYES
I WANT TO HEAR ALL YOUR
DEADTIME STORIES AGAIN
I've seen what I've seen
I know what I know but no one will believe
We know love can be like bondage
Unless you open your eyes to see
Living on a bad luck charm
It's too late to repair the harm
Like a storm before the calm

DREAMS AND DESIRES
LIKE THE FIRE IN YOUR EYES
I WANT TO HEAR ALL YOUR
DEADTIME STORIES
SO PLEASE DON'T YOU GO
DON'T YOU KNOW GOT TO STAY WITH ME
I WANT TO HEAR ALL YOUR
DEADTIME STORIES AGAIN
Nothing more to say
You're a million miles away
We always hurt the ones we love
But I won't look back
Not anymore
DREAMS AND DESIRES
LIKE THE FIRE IN YOUR EYES
I WANT TO HEAR ALL YOUR
DEADTIME STORIES
I NEVER BELIEVED
THIS COULD HAPPEN TO ME
I LONG TO HEAR ALL THOSE
DEADTIME STORIES AGAIN
