The world goes by outside my window
The night is coming but it's so slow
I wanna talk but no one's listening
I wanna take but no one's giving
I wanna shoot my television
HEY HEY WHAT DO YOU SAY
SAME SHIT DIFFERENT DAY
I WANNA KNOW STUFF THAT I DON'T KNOW
I DON'T WANNA DIE BEFORE I GET OLD
HEY HEY WHAT DO YOU SAY
SAME SHIT DIFFERENT DAY

They canceled my credit at the groceria
The lady there thinks she's the queen
of Puerto Rico
Had to sell all my book on Broadway
They shut my phone off on Christmas Monday
Every morning seems like doomsday
Bullets fly like Tombstone on the Hudson
All the tourists think it's really something
Get outta my town
