Titanic.
Rubber bullet panic.
Forced revolution.
Put a bullet in me.
In my head burning lead.
Societal damage descend into madness.
Bay of pigs.
Force-fed.
Gone rotten.
Cirrhosis.
Double barrel justice.
Blueprint for destruction.
A dead man's bed.
Full of blind oppression reality.
Chalk body outline the sentence for your crime.
Gone insane.
Blowtorch.
Militant social.
Intagible.
Killer instinct.
Inbred.
