Squalid conditions, unsanitary  
Vermin, infested, dwellings ordinary  
Plagued rats, lice and fleas  
Cohabiting human race  
Subliminal terror spawns  
Onslaught of the plague, mass extermination  
Mourning, and sickness, disease and prevalent  
Invading, bacilli  
Eradicating all the world  
Hysterical panic builds  
High fever, chills and buboes boil  
Lymph nodes swell, inflicting blackened pain  
Delirium, violent emeralds  
Blood letting fails to ostracize  
Septicemic human bordered death  
Black death consumes populace at  
Crippling velocity  
Chaos reins supreme in plague ravaged cities  
Disease was thought to be punishment  
Livid spots, black and blue  
Retribution smote from God  
Ulcerated carbuncles  
Pandemic rages on, galloping consumption  
Hundreds then thousands of victim perishing  
Tolling bell chronicles  
Perpetual stream of death  
Terminal pestilence  
Infected rats die, spitting blood  
Certain indication coming death  
Corpse carrier drawn from the lower ranks  
Those left alive apprehensive thoughts  
Engendered in their burning tortured minds  
Abhor and shun contact with the sick  
Lesions, erupting skin  
Mortified closes in  
Panoramic Hell  
Enthralled upon us with  
Crippling velocity  
[Leads Sykes, Reilly]  
No one left to bear surmounting carnage  
To rivers, and pits, places of internment  
Infinite carcasses

Superficial burial  
Overcrowded sepulcher  
Putrefying stench of decaying bodies  
Purple black, boundless atrocity  
Afflicted children  
Perish in abandonment  
Immeasurable calamity  
"Bring out your dead" dispose of them  
Conveyed by the caravan of death  
Progressive outbreak of disease  
Apocalyptic nemesis  
Horrorifying drama of the plague  
Black death consumes populace at  
Crippling velocity
