Loathsome abhorrent betrayer
Heinous recreant I protest
Your wretched birth
Exorcise your vile entity

Blood-sucking leech
Sycophant
Parasitic rogue
Implacability

Dudgeon spiteful vendetta
Sworn to reprisal
Discreate your own existence
Void with no deplore

Constant purveyor of anguish
Animosity
Unlamenting swinish whore
Disdain with revolting scorn

Blood-sucking leech
Sycophant
Parasitic rogue
Implacability

Traitor, envenoming antipathy
Ignoble, disgust, vidictiveness
With murderous fucking hate
Scorching retaliative pernicious spite
Detestable contempt
Revenge, adversely despised

Abject, despicable misanthropy
Repulsion, condemn and nullify with
Rabid violent force, invidious ferocity
Contemptible misprize
Distrust, hostile emnity
