Distorted to subhuman form. Rendered amorphous
refuse to sub-
Mit. With steel bearing down on your face. Condemned
by vio-
Lence confined and suppressed. You attempt at a
future escape.
Bludgeoned unconscious awake in pain. By one who's
pleasures
Conceived. From beating you vampid and watching you
bleed.
Coagulate swell and abscess. Incarceration maniacal
vigilant.
Bent on destroying your flesh. Insatiable passion for
violence
And sufferance. Death your redundant plea. Denied
acquittal
Torturous slave. Resist the treshold of pain. Succumb to
the
Punishment. Grotesquely maimed.
