I don't belong here
I never saw this on the path I walk
The blood-stained walls, the lines of chalk on the floor
Its getting so hard
I never saw the backlash, when the tide began to rise
I can't remember
The way it was when everything felt right
My mouth held shut and eyes sealed tight with control

Pre-Chorus:
So I remember on the inside

Chorus:
I found a dark, infernal place, I don't wanna face
anymore
Somehow I won't stop feeding the pain
My heart's just the same as before

So now I'm stuck here
Between the guilty and the insincere
The words I've spoke have left me here all alone
I should have known this
I never saw the backlash, when the tide began to rise
I wish it all gone
I could've burned it when I had that choice
And now I'd die to kill this noise in my head

Pre-Chorus:
Chorus:

If this is all the love my spirit can give
Just take it back tonight
There is not a reason more to live
