Spend my life livin' in the city  
Chasin' dreams never feel the pity  
Blame it on the voices in my head  
Holdin' on I'm hangin' by a thread

Don't have a thing to show  
For all I wish I had done  
Maybe I'll wake up soon to find  
It's already gone

It's gettin' better, oh! It's gettin' better  
Least that's what I tell myself - move on  
I need a reason somethin' outa' season  
Can't go back I must be movin' on  
Movin' on

I took a hit and suddenly the feelin'  
Made my world a better place to live in  
I couldn't speel I didn't eat for days  
I should have died than wake up in disgrace

There has to be more to life than this

When all's said and done  
And if I could do it over again  
I'd do it all, do it and then some

It's gettin' better, oh! It's gettin' better  
Least that's what I tell myself - move on  
I need a reason somethin' outa' season  
Can't go back I must be movin' on  
Movin' on

Gotta change this sinful life

Don't have a thing to show  
Far all I wish I had done  
And if I could do it over again  
I'd do it all, do it an then some

It's gettin' better, oh! It's gettin' better  
Least that's what I tell myself - move on

I need a reason somethin' outa' season  
Can't go back I must be movin' on  
Movin' on
