My fall draws near

Life fell out of my hands
And into this hole where everything's cold
I lost the feeling of guilt
There's nothin' inside, my innocence died
And now the emptiness grows
It's bringin' me down and takin' my crown
I've seen where everything's dark
It's here in my soul, I'm losin' control

(Have)
Mercy on me
(Have)
Mercy on me
(Have)
Mercy on me
For every thorn I've driven in
(Have)
Mercy on me
(Have)
Mercy on me
(Have)
Mercy on me
For every thorn I've driven in

Within these walls you'll see
Alone in here the end

Before my very last day
I'm making it stop I'm turning it off
I'll fight the feeling I have
Until everything's gone, resistance has won
Now time is healing these wounds
And you are still here releasing my fear
My life fell out of my hands
They took it away, I'm takin' it back

(Have)
Mercy on me
(Have)
Mercy on me

(Have)
Mercy on me
For every thorn I've driven in
(Have)
Mercy on me
(Have)
Mercy on me
(Have)
Mercy on me
For every thorn I've driven in

And everyday I feel
Like this weight's constantly dragging me down
Broken for the last time
(Never get the best of me, you won't get the best of
me)
I've got a heart of steel
But your words are constantly bringing me down
I'm open for the first time
(Never get the best of me, you won't get the best of
me)

Mercy on me
(Have)
Mercy on me
(Have)
Mercy on me
For every thorn I've driven in
Mercy on me
(Have)
Mercy on me
(Have)
Mercy on me
For every thorn I've driven in, yeah

Within these walls you'll see
Alone in here the end

My fall draws near
