I, I see the weight of hollow death residing in you
Take now your final breath, exhale the truth
I see the fear of nothing left, dead fragments of youth
You hold it in yourself, I feel it too

I mourn your blindness
I die along
And swallow darkness
In misery is where I belong

Collapsing in on yourself
I don't know why I try
(I try)
Collapsing in on yourself
I don't know why you deny

I, I know the light is burning dim and dying in you
I know the pain that lies within, I feel it too

I mourn your blindness
I die along
And swallow darkness
In misery is where I belong

Collapsing in on yourself
I don't know why I try
(I try)
Collapsing in on yourself
I don't know why you deny
[Incomprehensible]

Collapsing in on yourself
I don't know why I try
(I try)
Collapsing in on yourself
I don't know why you deny

Collapsing in on yourself
I don't know why I try
(I try)
Collapsing in on yourself
I don't know why you deny
