The City is Ouuuur Ouuuur Ouuuurs
The City is Ouuuur Ouuuur Ouuuurs

Rolling past graffiti walls
Billboards lighting up the block
Everyone of us on a mission (oh yeah)

Gotta a whole crew by my side
Cars beep beep when they pass us by
Get ready to get down in business (mmm hmmm)

We pull up
Open the door
All the girls scream
"There they are"

It's packed from wall to wall and
Everybody is calling

Here we come
It's almost time
Feel the rush
Now, hit the lights

We're gonna get it all started

Because the night is young
The light is out the door
Today was crazy but
Tonight the city's ours

Live it up
Until the morning comes
Today was crazy but tonight

The City is Ouuuur Ouuuur Ouuuurs
The City is Ouuuur Ouuuur Ouuuurs

My, my look how we roll
Was it only a month ago
Everybody said we were dreaming (oh ooooh)

Now we're here like "Yeah, we told you".
Still far but were that much closer
And there ain't no way that we're leaving (oh noooo)

We pull up
Open the door
All the girls scream
"There they are"

It's packed from wall to wall and
Everybody is calling

Here we come
It's almost time
Feel the rush
Now, hit the lights

We're gonna get it all started (get it started)

Because the night is young
The light is out the door
Today was crazy but
Tonight the city's ours

Live it up
Until the morning comes
Today was crazy but tonight

The City is Ouuuur Ouuuur Ouuuurs
The City is Ouuuur Ouuuur Ouuuurs

We gotta believe
It's destiny calling
So night after night
We'll rock the whole place out

As hard as it seems
I know if you want it
Then it's gonna happen somehow (whoa)

Because the night is young
The light is out the door
Today was crazy but
Tonight the city's ours

Live it up
Until the morning comes
Today was crazy but tonight

Because the night is young

The light is out the door
Today was crazy but
Tonight the city's ours

Until the morning comes
Today was crazy but tonight

The City is Ouuuur Ouuuur Ouuuurs
The City is Ouuuur Ouuuur Ouuuurs
The City is Ouuuur Ouuuur Ouuuurs
The City is Ouuuur Ouuuur Ouuuurs
The City is Ours
