"Forget About You"

Get a call on a random afternoon
I pick it up and I see that it's you
Like my heart, you were breaking the news
As you say that it's over, it's over, it's over

Heading out 'cause I'm out of my mind
All my friends are gonna see me tonight
Staying here until the sun starts to rise
I'm know I'm gonna, I'm gonna, I'm gonna,

[Chorus]
Dance hard, laugh hard
Turn the music up now
Party like a rockstar
Can I get a what now
I swear I'll do anything that I have to
Till I forget about you

Jump up and down
Gotta play it loud now
Don't care, my head's
Spinning all around now
I swear I'll do anything that I have to
Till I forget about you
Till I forget about you

Never thought I'd be here on my own
Waiting for you to knock on my door
Since you left I don't wait by the phone
I'm moving, I'm moving, I'm moving

I found a place where I can lose myself
Can just leave your memory on the shelf
See I'm fine I don't need nobody else
'Cause I'm going, I'm going, I'm going

[Chorus]
Dance hard, laugh hard
Turn the music up now
Party like a rockstar
Can I get a what now?

I swear I'll do anything that I have to
Till I forget about you

Jump up, fall down
Gotta play it loud now
Don't care, my head's
Spinning all around now
I'll swear I'll do anything that I have to
Till I forget about you

Spending money like it don't mean a thing
I'm going crazy now
I don't even think
Losing my mind
That's all I can do
Till I forget about you

[Chorus]
Dance hard, laugh hard
Turn the music up now
Party like a rockstar
Can I get a what now?
I swear I'll do anything that I have to
Till I forget about you

Jump up, fall down
Gotta play it loud now
Don't care, my head's
Spinning all around now
I'll swear I'll do anything that I have to
Till I forget about you...

Till I forget about you
Till I forget about you
